

## **Open call for Nominations for Chartered Association of Business Schools Fellows**

### **Purpose of the posts**

The Chartered ABS would like to recognise senior academic and industrial leaders who have made and continue to make a significant contribution to the advancement of the Chartered ABS mission.

Academic Fellows will be awarded in recognition of exceptional service to the Chartered ABS and/or the membership.

Industrial Fellows will be awarded to recognise exceptional service and achievement in the world of business and organisational practice across the private, public and charitable sectors.

Regardless of the route, they will all be known as **Chartered ABS Fellows**.

**In both cases we are asking for nominations, not self-applications.**

### **Chartered ABS Mission**

We are the voice of the UK's business and management education sector. Our mission is to support our members to maintain world-class standards of teaching and research, and help shape policy and create opportunities through dialogue with business and government. We provide professional development, networking, market intelligence, and we lobby on behalf of our members.

### **Conditions**

For *Academic Fellows*, the award and recognition will be for the Fellow's lifetime.

For *Industrial Fellows*, the award will be active for three years, renewable on a three-year rolling basis.

### **Criteria and eligibility**

The award of Chartered ABS Fellow will be based on the nominee's commitment to help Chartered ABS fulfil its mission. Academic Fellows must be employed by, or retired from, a Full UK or International Member business school of the Chartered ABS. Industrial Fellows must be able to demonstrate previous work with Chartered ABS, particularly in relation to advocacy and external impact.

Nominations will be considered according to the following criteria:

- Academic or Professional standing of the individual;
- Evidence of contribution to the mission of Chartered ABS;
- A plan of how the Fellow would engage with Chartered ABS to contribute ambassadorial and advocacy activities to the benefit of Chartered ABS' mission.

## **Nominations**

Nominations should be made by completing this application form and emailing it, along with the additional documentation, to the Chief Executive of the Chartered ABS, Anne Kiem, at [anne.kiem@charteredabs.org](mailto:anne.kiem@charteredabs.org)

The form requests the following information:

1. A statement outlining what the nominee has already done and how they might contribute to the future work of Chartered ABS through ambassadorial, advocacy or impact related activity.
2. A brief biography or a link to it from a public source.

Nominations should also supply the following documentation:

1. Brief letters of support from at least one other employee at a Chartered ABS member school, including contact details so we are able to follow up with any questions.

## **Selection**

All nominations will be evaluated by the Chartered ABS Membership and Awards Committee, a sub-committee of the Council. This committee will take their recommendations to a full meeting of the Council for approval. Nominees may be called for interview by the sub-committee where this is felt desirable. The Council's decision is final.

## **Timings**

Submissions must be received by **31 August 2018**, with the intention that an announcement of recipients will be made at the Annual Conference in November.
