Purpose of the post

We are looking for an outstanding Events Coordinator to join our award-winning and forward-thinking team. We are a business-minded, mission-led organisation with a strong commitment to delivering excellent events to our members and the wider higher education community.

The Events Coordinator will be responsible for overseeing and managing the logistics of a selection of the Chartered ABS's portfolio of live and digital events (conferences, development programmes, workshops and other events) and for providing customer service support to delegates, speakers and sponsors.

This is an opportunity join a dynamic and enterprising team delivering live in-person events in multiple locations nationwide, and a range of online events. We are a progressive association that is very much valued by our members. You will play a key role in the delivery of our events by ensuring that participants have a great experience before, on the day and afterwards.

About you

You will have a passion for working in events. You might be a recent events management graduate, or someone with experience of, and interest in the B2B events industry. You will be hard-working, highly organised with strong attention to detail and the ability to deliver time-sensitive projects.

You will need to be a good communicator with exceptional customer service skills and be comfortable working with senior-level people. This is an important position that requires an intelligent, articulate and professionally presented individual.

About us

We represent the UK's university business schools and support them to deliver world class teaching and impactful research. Our team have won numerous awards for our events and other services. Our events portfolio is market leading and includes: four major annual conferences attracting 400+ delegates; five multi-modular professional development programmes; a suite of short-course CPD programmes; and a range of other in-person and online workshops, seminars and symposia. Each year we run over 50 events for more than 2,000 participants.

Applicants must have the right to work in the UK.

Principal responsibilities and tasks

The Events Coordinator will be responsible for overseeing and managing the logistics of a selection of the Chartered ABS's portfolio of live and digital events (conferences, development programmes, workshops and other events) and for providing customer service support to delegates, speakers and sponsors.

This will include:

- Sourcing venues and negotiating competitive rates
- Working with venues and catering suppliers to meet our needs
- Working with third party AV and staging suppliers to arrange relevant technology and branding at events
- Organising relevant technology and event platforms for online events.
- Handling queries from prospective participants
- Providing information to participants between the point of booking and the event
- Assisting and supporting speakers and facilitators (this can include booking travel, accommodation, compiling presentations, circulating agendas)
- Ensuring sponsors' objectives are fulfilled on the day
- Travelling to events in different parts of the UK to provide on the day customer care and manage event logistics (AV, registration, venue liaison etc)
- Organising post-event administration (including evaluation analysis) and customer care
- Recording expenditure and income, and maintaining event budgets
- Ensuring accurate records are kept of all aspects of the event and that our CRM database is up to date
- To assist other members of the team and be a source of 'event management' expertise.

The scope of this profile reflects the Association's current needs; it is not intended to be a fully inclusive or exhaustive list. The post holder may, therefore, be expected to work flexibly and perform such other duties other than those given in the job description. The particular duties and responsibilities attached to the post may vary from time-to-time without changing the general character of the duties or the level of responsibility entailed.
